Payment Policies

1. A **\$20.00 late fee** may be charged for payments ten or more days delinquent.
2. **Method of Payment:** Payment by check is the norm, but there is a **\$30.00 charge for returned checks**. After one returned check, the Academy may require payment in cash, cashier's check, or money order. Payment may be made electronically through the Academy's online payment system, but the payor must pay the transaction fee the processor charges.
3. Timely payments are **extremely** important for operating needs. **Thus, the Academy reserves the right to refuse continued enrollment to any family that falls one or more months behind in tuition payments.** Should a family need a special arrangement, the Academy must be contacted to request such.
4. **Delinquent Tuition:** Report cards, as well as permanent records, including health records, will be withheld at the end of the school year if required payments are not made in full unless arrangements have been made otherwise. **In addition, quarterly report cards may be withheld for delinquency with payments. If collection efforts are undertaken, the delinquent party will be responsible for reasonable attorney fees and collection costs.**

Financial Assistance

Financial assistance from the Academy is provided for those in true need who fully support the Academy. **Families must first seek financial assistance by applying through the Catholic Education Foundation. Applications for such must be submitted each year that assistance is requested. Though there are priority deadlines for the initial rounds of assistance from the CEF, it is never too late to apply.** After utilizing this resource and other possible options such as parish support, extended family support, etc., if a family is still in need, a request may be submitted to Holy Angels Academy for review. The Board of Trustees determines approval for assistance. When the Academy provides assistance, a work-study program is made available. It is important for parents to know that Holy Angels Academy does not possess a special fund for tuition assistance. However, faith in God's providence always results in the ability to help those in true need.

HOLY ANGELS ACADEMY

Refund Policies

- Application and registration fees are non-refundable.
- Book fees are non-refundable as those fees have already been applied to book costs.
- Tuition paid in advance is nonrefundable if a student withdraws early, as that tuition has already been applied to operating costs and general and administrative expenses.

Tuition Philosophy

In harmony with traditional Catholic thinking, Holy Angels Academy endeavors to do its best to keep tuition levels affordable. Generous discounts are provided for families with more than one child attending.

Every family is expected to contribute to the education of its children to the best of its ability. Those who have been blessed with the monetary means to do so are encouraged to make contributions to the Academy above tuition payments which will also allow them to exercise their tax-deduction privilege for charitable giving. As noted in the Parental Agreement, all families are expected to participate in certain fundraisers and tasks to help address the shortfall not provided by tuition. Only with this help, the contributions from generous benefactors from the larger community and the sacrifices of teachers and staff, will Holy Angels Academy continue alive and well.
